

ARTSPACE

Artist-run centres are built upon the strength of their membership. Since 1974, Artspace has provided a forum for the practice of contemporary art. We advocate for artists. We strive to present art that reflects the diversity of cultural and political perspectives, nurturing dialogue across disciplines and communities. Artspace pursues this mission by hosting and presenting exhibitions, talks, workshops, screenings, performances, events, and artist residencies. Members support these activities through the payment of fees, and shape the organization by voting at our Annual General Meeting or sitting on our Board of Directors.

Artspace offers individuals two categories of membership:

- Supporting Member: \$40 / \$20 (student/senior)
- Family Supporting Membership \$75 (For 2 adults. Adults must live at the same address)
- Producing Member: \$75 / \$40 (student)
