

ARTSPACE

Since 1974, Artspace has provided a forum for the practice of contemporary art. We advocate for artists and strive to present art that reflects the diversity of cultural and political perspectives, nurturing dialogue across disciplines and communities. Artspace pursues this mission by hosting and presenting exhibitions, talks, workshops, screenings, performances, events, and artist residencies. Members support these activities through the payment of fees. They also shape the character of the organization by voting at our Annual General Meeting or sitting on our Board of Directors. For individuals, Artspace offers two categories of membership: Supporting and Producing.

ALL ARTSPACE MEMBERS RECEIVE THE FOLLOWING BENEFITS:

- Ⓐ Invitations to all Artspace exhibitions and events through our mailing list
- Ⓐ Eligibility to sit on the Board of Directors and join committees
